Seminar organised by UIA in collaboration with the Tokyo Bar Association

## Bringing together the world's lawyers

*For over 85 years, the Union Internationale des Avocats (UIA - International Association of Lawyers) has been defending the legal profession and facilitating international contacts, cooperation and the exchange of knowledge among lawyers, while respecting their cultural and professional diversity.*

Today, the UIA brings together several thousand members – lawyers or law professionals – and hundreds of bars, federations and associations.

---

## Join the UIA and become a member of the world's strongest network of lawyers

---

- You will participate in the work of the UIA Commissions in Business Law, Human Rights and General Practice and share your experience with that of professionals from over 110 countries.
- You will also be able to join forces with the UIA, which, each year, provides its support to lawyers who cannot freely practise their profession. Everywhere in the world where rights of defence are threatened or the proper administration of justice is hindered, the UIA will make your voice heard.
